FEBRUARY
ONLY 29 DAYS LEFT BEFORE MY FIRST BIRTHDAY SINCE ENTERING UNIVERSITY.
I INTENDED TO CELEBRATE IT ALL LOVEY-DOVEY WITH MY GIRLFRIEND.
BUT HOW COME I'M STILL LIKE THIS?
ぼっち。
What a coincidence! I was born on the 29th as well.
DROP
It only comes every 4 years, but I'm spending it alone, huh?

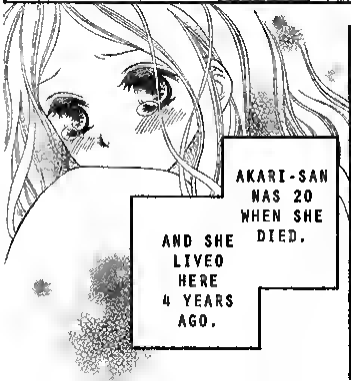
I'll be your girlfriend
so do you want to celebrate our birthdays together?
THIS IS

THE STORY OF ME AND A SAD GHOST...
Yukio!
Let's have a party at your place on the 29th!
...No way
What the! Since you have no girlfriend, we figured we'd spend it with you so you won't feel too bad!
Like hell! That's just an excuse for you guys to get to visit my room! For that Atsushi thing!
smile
smile
FLINCH
Aww, you found out.
But we want to see! The ghost room!
Hey, hey
What's it like?
Do you hear ramping sounds?
Do you keep talismans or something?
eeeeee
.....

BY "ATSUSHI", THEY MEAN THE "THING" THAT SUPPOSEDLY APPEARS IN MY ROOM. IT'S PRETTY FAMOUS.
You traitor!
Could he mean a girlfriend?! Girlfriend?!
Plans he says.
WHAAAT?
Sorry, but I've already got plans for the 29th
Bye.
clatter
WHEN NIGHT FALLS, THE LIGHT BULBS BREAK AND CRYING CAN BE HEARD.
ANYWAY, THE ROOM WAS LEFT UNOCCUPIED FOR A MONTH.
That's cheap!
BEING POOR, I WAS LOOKING FOR A PLACE WITH A CHEAP RENT AND MADE A PROMPT DECISION.
FOR THE 10 MONTHS I LIVED HERE, NOTHING HAS EVER APPEARED.
FX: OPEN
Akari-san, I'm home...

What do you intend to do by making your girlfriend wait like this?!
You'll be cursed!!
SOMETHING REALLY DID APPEAR HERE.
SO I NEVER THOUGHT.
You're late!
FX: MENACING ATMOSPHERE
ゴゴゴゴゴゴ
Sorry, I had to go shopping for dinner.
More like, even if you call yourself my "girlfriend", I still haven't
You're my boyfriend, so give me my "I'm back"-hug!
GRAB
Ugh
Ugh

T-
Then, excuse me
hahumi
SE'Z' SWOOSH



AKARI-SAN WAS 20 WHEN SHE DIED.
AND SHE LIVED HERE 4 YEARS AGO.

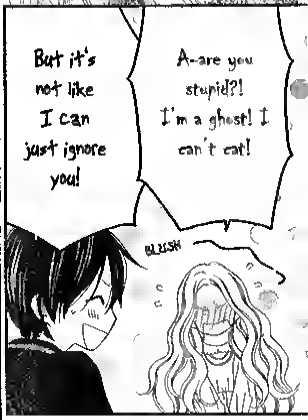
Atsushi-kun used to hug me all the time!!
UWAAA
Well... I'll go get dinner ready...
What's with this situation...?

IT SEEMS "ATSUSHI" WAS AKARI-SAN'S BOYERIEND WHEN SHE WAS STILL ALIVE.
You had a heart attack on your birthday and you died?!
To begin with, I had a weak body so it didn't help that I had a birthday that only came every 4 years...
I had been waiting excitedly for him when he went to buy cake...
Ah, but... It's so lucky we have the same birthday!
Someone that even ghost doesn't have reason to appear to
But they were getting hot and heavy! It was annoying!!
You were always alone, so I never found the right timing to show myself!
You didn't have to mess with the next who came to live here.
I think that's really sad, but...
Yes, yes. Got it.
If not, I'll follow you around forever!
Let's have a really fun party!
Waaaaah!

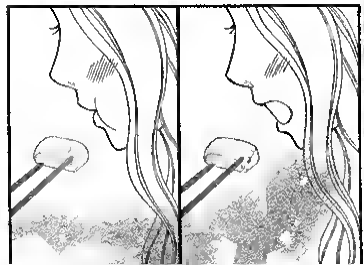
What? Well... It's your food
...What is that ...?

Shall we?
For the meantime, let's eat,
PLUNK

...Then, feed me.
y-
Yes



But it's not like I can just ignore you!
A-are you stupid?! I'm a ghost! I can't eat!
BLUSH



I always see you, even late at night, cooking.
I like cooking quite a bit!
It's not bad.
Especially Japanese food...
I know.
FIRST DAY
It's more fun with a portable cooking stove after all!
What a weird person...
SFX: MUMBLING WHILE EATING
At first I'd laugh at you because even though you're in university, you couldn't seem to get a girlfriend, but...
You seemed like you were having so much fun that,
I wondered what it would be like to eat your cooking.

Wha...
Wha...
It's
SEX WAR
Could you mean ever since I moved in here?!
Wait... Always see me?
Well, duh!
?
Oh, I remember that Christmas night!
You looked so pitiful!
I was about to talk to you!
Stop it!
I CAN FEEL A TRAUMA COMING!
If you say any more, I'll call the chief priest and have you exorcised!
If you do that, I'll distribute the "hoop" pictures you've been saving in a secret folder in your laptop!
I know your password!

Oh yeah, whatever happened to that boyfriend of yours?
"Atsushi-kun used to hug me all the time!!"
It's fine.
If he went to our university, he must be a senpai...
You're not curious?
...Duuuu.
He's probably off somewhere happy with a new girlfriend anyway
I'm alright.
Ehh? But it was 4 years!
How complicated.
4 years...
4 years
If it were me, if I really loved that person, even if 4 or 10 years pass,
I don't think I'll ever forget them.
Though, I've never really experienced it so I don't know
CHOMP
CHOMP

Hey, you're my boyfriend so let me use your arm as a pillow!
Let's stop it with the depressing stories! Time to sleep!
Like I said, even if you call me that, I haven't said "okay" yet!
SFX? SLAM
Ah!
The romance I longed for is different from this.
F-fine!!
SFX? FWOOSH, CLINK, THUDDX SMASH!

Look! The stars are really pretty!
If she wasn't my type I think I'd hate her...
I wonder if it'll snow until our birthday?
I haven't seen it pile up this year yet.
Oh yeah, where would you like to go on the 29th?
I don't have money so, somewhere cheap...
I'll say this now, I can't really leave this room.
Huh? So you're like, a ghost bound to a specific location?
Yeah, something like that.
Ah but for the cake, there's this great shop at 3choume!
The fresh cream there is really tasty!
Hmm then, I'll cook some chicken.
Kyaa!

So ghosts can fall asleep?
Or is she faking it?
I'm so excited...
THEY EXIST AFTER ALL.
A GIRL YOU CAN'T LEAVE ALONE.
I WONDER IF GHOSTS CAN CATCH COLDS?
SHOULD GIVE HER A BLANKET?
I WONDER... DOES SHE LIKE HER TAMAGOYAKI SWEET OR SALTY?

I'm home!
I'm sorry Akari-san, the drinking party ran late.
idiot!
You...

I thought...
You weren't coming back anymore...
FOR 4 YEARS...
AKARI-SAN WAS IN THIS DARK ROOM
THAT'S RIGHT...
You're late!
I wondered what it would be like to eat your cooking.

W-
What?
I'm sorry
From now on I'll alway come home early
That was you.
You're the one who asked for "I'm back"-hugs!
Huh?
Let's go

EVEN THOUGH I COULDN'T TOUCH HER THIS WAS HOW WE SPENT OUR DAYS TOGETHER.
I'LL MAKE YOU FOOD.
I'LL HUG YOU.
I bought a lot of decorations from the 100 yen store!
Want to decorate toge—
I'M HAVING FUN.
I'm home!

Ah.
Welcome home, Yuki!
BUT
WHAT ABOUT AKARI-SAN?
So this is the entire list of stuff I need to buy?
Yep.
Ahhh, Kami-sama please make it snow!
Why're you wishing in front of the pig?
I WONDER IF I'M ENOUGH...

AKARI & FUKI'S BIRTHDAY
THE ONE AKARI SAN WANTS TO SPEND HER BIRTHDAY WITH
IS DEFINITELY...
It'll be great if it piles up!
Pretty!!
Snow!
It's snowing!
No way, seriously?!
Ahh...

Akari-san, didn't you say you were unable to leave that room?
...Beats me.
Eueu I'm surprised! Ehe...
It can't be me after all.
Huh?
Let's...
Let's go look for "Atsushi"!
For a special day like this, isn't it better to spend it together with the one you love?

You always look out the window hoping he'd pass by, right?
If you continue on like that, you'll never get to rest in peace!
No.
I'm sure he'd want to see you too!
No, we can't
Why are you so...
Hey, over here!

Did you...
Atsushi-kun...
Come...
to see me...?
Sorry for the wait, Acchan!

It's okay
I'm sorry, I got off work pretty late.
Hey, do you want to eat something sweet? What about a roll cake from that place at 3choume?
Oh? Aren't you on a diet until the wedding?
It's fine! I'll start tomorrow!
Yeah, yeah

あはおっ
Did your 4 years together not matter hum?!
He should've at least thought a bit about your fee...
It can't be helped.
That person didn't know I died.
What's with that?
That was your boyfriend?!
fx: ahahaha
That night, the 29th,
He turned me down.
...What?
That night, I was excitedly waiting for him to come.
Then a call came.
"I can't make it", he said.

Because of my frail body,
he's gone to visit me a lot of times, but
I was scared.
I always thought one day, he would forget about me.
That he wouldn't come to visit anymore.
I looked outside the window and...
I didn't know what to do...

AAAH!
GEEZ.
THIS GHOST
IS A REAL
"Give M...My Pu-pu back"-hug!
"There're really good cakes at this place in Achoume!"
"He's probably off somewhere happy with a new girlfriend anyway."
I'm sorry for keeping quiet about it up until now...
IDIOT!!

You were so hung up on a guy like that so you couldn't rest, peace?!
That's such a stupid reason! Idiot! Idiot!
ANNOYED
Shut up! I know it is!
Fine, let's go, stupid Akari
...To where?
Also what did you just call me?
A date!
So you can forget about that guy for at least a little,
I'll give you the best birthday!
Since you're my girlfriend, you should just shut up and come!

Welcome...
Customer, umm...
Idiot!

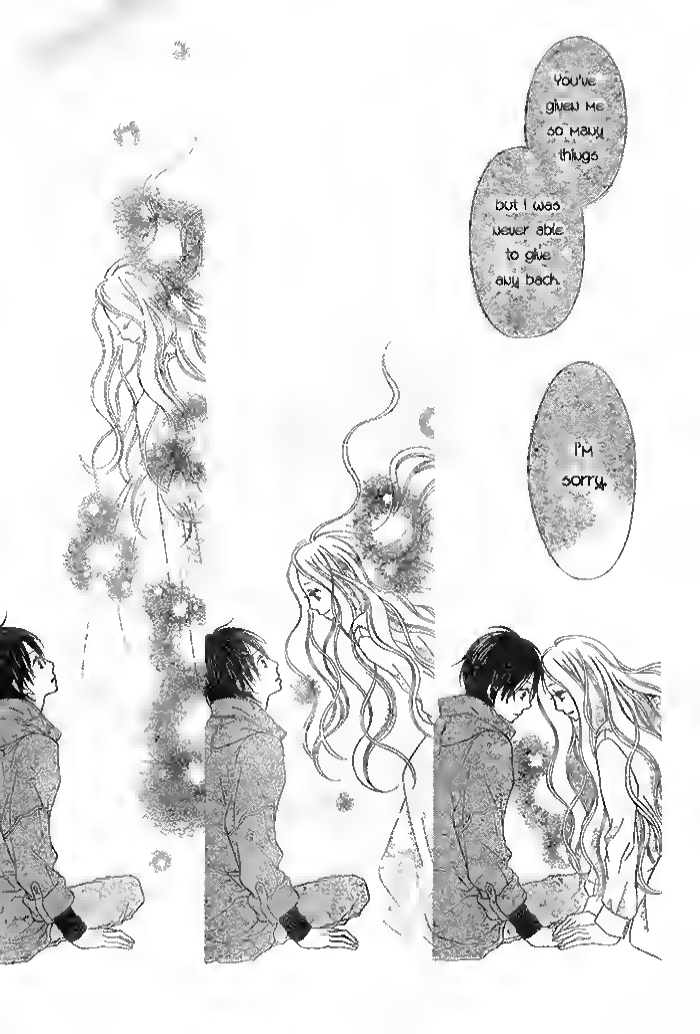
Some champagne as well please!
Give us the special course for two!
I'm not. There's two of us!
You're alone?
...U-understood...

Mamaaaa! Why has that person been talking to himself since a while ago?
Okay.
Hey, try this one too!
Delicious!
clink
Cheers!
Hey now, don't stare.
Really?
If that's so, I'll cook you some tomorrow morning.
Pant!
Hmm but compared to all these difficult to read looking dishes, I prefer your tamagoyaki!...
THE FIRST BIRTHDAY I'VE EVER SPENT WITH A GIRL.
SINCE NO ONE ELSE COULD SEE
That's expensive!
I KNOW NO ONE WILL RELIEVE ME
BUT

EVEN SO, IT'S ALRIGHT.
ed/n omg he's so cute I want 2
Ah, so cold!
My socks are wet...
Ah, I should make some tea since we're eating cake
Akari, would you like lemon or milk?

This is the first time I've ever bought a whole cake!
Hmm, fork, fork...
Whoa,
this looks really good!
Here, Akari,
open your mouth

...Thank you,
Yukio.



You've
given me
so many
things
but I was
never able
to give
anything back.
I'm
sorry.

"I prefer your tamagoyaki."
"If that's so, I'll cook you some tomorrow morning."

eaten my tamagoyaki yet...
You haven't even...
You idiot...
"Thank you."
I WONDER IF I WAS ABLE TO BE AT LEAST A BIT USEFUL?
BUT I'M SURE AT THAT MOMENT,
I'M NOT SUPPOSED TO BE ABLE TO TOUCH HER.
IT'S WEIRD.

I WAS ABLE...
TO TOUCH AKARI-SAN FOR THE FIRST TIME.
ARROW: STILL MISUNDERSTANDING
How was it, Yukio?
That lovey dovey party you had with your girlfriend ♡I mean.
AND THIS WAS HOW THE CURTAINS CLOSED
ON MY BIRTHDAY WHICH ONLY CAME EVERY 4 YEARS
EX: SMACK
What the heck?!
Ah, I was just really pissed at "Atsushi"-

Akari-san, look at this!

All right! Perfectly cooked!

FX: STEAM

TO THE FACT THAT I'M ALONE IN THIS ROOM, BUT...

RIGHT NOW, I STILL CAN'T GET USED

I HOPE I'LL ALWAYS BE ABLE TO SPEND MY BIRTHDAY.

Thank you for the food.

WHICH ONLY COMES EVERY 4 YEARS. HAPPILY.

IF I BRING A GIRL INTO THIS ROOM.

I WONDER IF AKARI-SAN WILL GET MAD AND COME OUT? PROBABLY NOT.

AS I IMAGINED THAT. I SMILED.

Heya, so here we are with a joint with Shoujo Crusade~
As you may or may not know, Shoujo Crusade shut down earlier this year. And so, we stepped in and took up a few of the chapters which they weren't able to complete ;_;

So, first of all, we would like to dedicate this chapter to all the hardworking folks at SC Scans, who gave us tonnes of goodies~

Next, I would like to give my usual recruitment spiel. Right now, we're looking mainly for editors, because we're those sentimental idiots who adopt all these projects and then find that, oh wait, we kinda don't have eough hours of the day to actually hande this stuff ;_;

We also have another post, a new one called transcribers. This is cos we use a lot of translations from otakumole, which is not always online. So, we would like people who could just note down the translations for certain chapters.

And, yunno, some other posts are open too *whistle*

And, as usual, downloads are on our tumblr, papermoonwosagashite.tumblr.com ~
